

_____ and Mr. Germ

(your name)

(picture blank)

One day, _____ was out at the park looking for a new home.

_____ also went to the park
(your name)
with their friend that day.

As the kids swung on the swing, Mr. Germ climbed onto their_____.

(picture blank)

(picture blank)

After the swing they went home for lunch. They knew they should wash their hands after the park, but they got distracted by _____ and forgot!

They ate their delicious lunch, licking their fingers as they went! The next day, they started feeling pretty sick.

Because they had forgotten to wash their hands, Mr.

Germ was now setting up his new _____ inside them!

(picture blank)

Luckily, they also had a little team of superheroes inside them and they told Mr. Germ “We’re sorry but you can’t live here, it makes us sick!” So, Mr. Germ packed up and went looking for a new place to live. Very soon, they were feeling all better!

(picture blank)

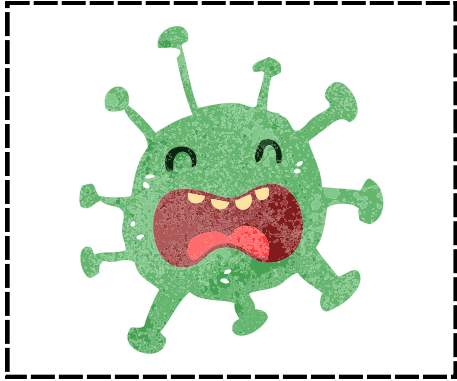

This team of _____ is called your immune system and it works very hard to keep you healthy.

You can help your immune system by remembering to _____.
