Welcome to the Sault Ste. Marie Science Festival

On behalf of the City of Sault Ste. Marie, Ontario and our City Council, I would like to welcome all participants to the third annual Sault Ste. Marie Science Festival.

I would like to offer my sincere thanks to all of the partners and sponsors for once again coming together to make the festival a reality.

With a variety of fun events for different ages, the festival allows residents to make their own exciting discoveries and to meet local experts doing cutting-edge work in a number of scientific fields.

Once again, thank you to the organizers and volunteers for putting forward your time, effort and resources to bring the Sault Ste. Marie Science Festival back to our community in 2017.
