

Terry Sheehan

MEMBER OF PARLIAMENT
FOR SAULT STE. MARIE

On behalf of the Government of Canada, I would like to extend warm greetings to all those involved in the Sault Ste. Marie Science Festival.

The Science Festival creates opportunities for the whole community to celebrate science in a fun and dynamic setting. From demonstrations for elementary school children, to presentations in seniors' centres, the Science Festival provides something for the entire family.

I commend all involved in bringing this great event to Sault Ste. Marie, and thank all those that continue to support local events like the Science Festival. I hope everyone is able to come out and experience all that the Festival has to offer, and I offer my best wishes for another successful event.
