Science North Expands 2025 Summer Science Camps to 39 Ontario Communities

SUDBURY, ON — Science North, a leader in Science Education, is proud to announce the expansion of its 2025 Summer Science Camps to 39 communities, with the exciting addition of **Petawawa, Deep River, Mattawa, and Mindemoya**. This milestone reflects Science North's commitment to making hands-on STEM (Science, Technology, Engineering, and Math) learning accessible to children across the province.

Since 1987, Science North Summer Science Camps have inspired more than 30,000 children, providing interactive and educational experiences that foster curiosity, creativity, and a lifelong love of learning.

2025 Summer Science Camps highlights:

1. **New Communities:** Science North is thrilled to bring camps to Petawawa, Deep River, Mattawa, and Mindemoya, expanding opportunities for children in previously underserved areas.
2. **Innovative STEM Programs:**
 - a. **Mission to Space:** Learn about rockets, space exploration, and celestial navigation.
 - b. **ArtLab:** Combine science and creativity to create art through experimentation.
 - c. **Animals in Action:** Explore wildlife biology and learn about ecosystems.
3. **Bilingual Programming:** French camps will be offered in 12 locations: Sudbury (Science North, Dynamic Earth and Kivi Park), Sault Ste. Marie, North Bay, Thunder Bay, Hearst, Timiskaming, Kapuskasing, Timmins, Sturgeon Falls, and Red Lake. Our French camps range from one to eight weeks.

Sudbury's Summer Science Camps registrations are now open and are offered at Science North, Dynamic Earth, and Kivi Park in English and French and will run between July 2 to August 29.

Register online 24 hours a day at sciencenorth.ca/camps or call 1-800-461-4898 ext. 338 from 9 am to 5 pm, Monday to Friday.
